

Chase LOVE IS FOREVER

An angel came into our lives.

A cherub, child angel

He smiled at me.

I AM CHASE

I am grateful for that special day

You have changed me

You have made me better.

I see your light. I see your love.

You are a bright beckon of light.

You are a magnet of love and light

You still are. Giving and Receiving

You cannot extinguish something SO bright as YOU.

Do you know how much we all love you?

Do you know how much you have affected and changed our lives?

Do you know how much we love you?

Do you know how much we are hurting?

Oh God, Oh God, why? Oh, Chase, we miss you.

We love you.

An angel came into my life today!

You have made the world better

A bright shining star – you are

I am certain

You are the angel I asked Heaven for that special day.

I have never been the same since.

The love in your smile says EVERYTHING.

Says it all – is all good

That is how you saw those around you and the world

Your eyes are bright beautiful and full of love

My heart is on fire, my heart hurts

Your passion set the world on fire.

An angel came into my life today, I am Chase
I AM STILL HERE
I am with you. I am love I am light
I am Chase, I am Forever
Love is Forever
I am in your heart,
You can find me ANYTIME in the love you feel in your own
heart

An angel presented himself to us today
Your love and passion alighted us all
Is still lighting us all. Still bringing us together
Even in death you bring light and love to all
I see you now. I am filled with tears
You fill me with love and joy
I see you in all the love and souls that loved you.

Hello Angel, Hello Chase

An angel came into my life today
He is still with me; he is still with us all
We love you Chase
We feel your love. Bright and full of light
I cry, I want that light to last FOREVER and EVER and EVER
I want you to be here where I know I can always find your light.
Did you have to go already? Did you have to go already?
Can't you hear me?
Did you have to go already? Did you! Did he?
Why
I cry, I miss you
I cry, I love you and then
I just cry
I cry, for the world is without you
I cry simultaneous tears with all others
I cry for you, my heart is breaking
I cry for Leslie, your mother

I cry for Poncho, your father
I cry for your twin Marissa and for your sister Elyse
I cry for all who miss you

An angel came into my life today
An angel is walking with me today
He is walking with all of us. We are all one
I will see you soon.
Good night, bless you **Chase**.
Love is Forever

God, I place Chase his family, friends and loved ones in the palm of your gentle hands – take good care of him/them. Thank you God for blessing us with Chase's presence. Thank you Leslie and Poncho for such a blessed child of God. Thank you Marissa and Elyse. Thank you Chase, for gracing us with your glorious presence.

Chase, I just wanted to tell you how much I love you. How much we all miss you and how much your love has meant to me, to us all. You have given me so much. I am so grateful. Thank you for coming into my home and my heart and Elizabeth's and Ryan's and sharing your love, joy and zest for life. You were a much needed transfusion for us all. A infusion of all that is good and sacred. Thank you, Chase, for being you.
I will always love you, see you soon
